# «Roadman»

The Roadman product line marries functionality of furniture and the aesthetics and durability of Flightcase professional cases. The chest of drawers comes in four different dimensions and functions. There are a number of options available as regards measurements and functionalities. A different colour scheme for the body can be selected for all of the Roadman cases.

**Designers: Kalle Pruuden, Soho Fond**

**Manufacturer: HN Steel OÜ**

Pärnu maantee 154 • 11317 Tallinn, Estonia → GSM: +372 51 85 060 • info@hansanova.com • www.hansanova.com
